

ONE OF “AMERICA’S BEST COLLEGES”

– U.S. News & World Report, The Princeton Review and Forbes

41

Nations represented by students, as well as 48 states and territories

26

Average class size with a student:faculty ratio of 14:1

16

Division I sports played by ACU Wildcats in the Southland Conference

11

Countries in which undergraduate students studied abroad last year

\$24,000

Average scholarship and financial aid award package for students entering Fall 2015

\$41,520

Total cost of ACU (based on 36 hours including 2016-17 tuition, fees, room and board)

91 percent of 2015 May graduates were employed or enrolled in graduate or professional school within six months of graduation.

Only four colleges and universities – including UCLA, Stanford and USC – have won more NCAA national team championships than the Wildcats.

Over the past five years, ACU students have been accepted into medical, dental and veterinary schools at a rate twice the national average.

70

UNDERGRADUATE MAJORS

135

AREAS OF STUDY

27

MASTER’S PROGRAMS

100

STUDENT ORGANIZATIONS

4,500 STUDENTS

71 percent of the class of 2015 completed internships while attending ACU
