

# IN-DEMAND SKILLS FOR TOMORROW'S WORKFORCE

## 2020 SPRING SEMESTER PREPARE FOR IN-DEMAND CAREERS

At CSM, we've developed academic and career pathways and created opportunities to make it easier for our students to dream bigger, reach higher, and go farther than ever before. New programs, enhanced course schedules, and a host of tools that support student success are just a few examples of how we're evolving to prepare our students for in-demand careers at an achievable pace. We stand beside our students to support their goals and together, we are creating a movement that inspires success beyond expectations.

LET US BECOME YOUR PARTNER AS YOU JOURNEY TOWARD YOUR DREAMS.

### IN-DEMAND CAREERS

We're preparing today's talent for the in-demand careers of tomorrow. With programs and courses in:

#### HEALTHCARE DEGREES

Careers in healthcare start at CSM. Our program graduates are prepared to function as multi-skilled workers in a variety of healthcare settings.

#### COMPUTER SCIENCE DEGREE

Technology is the backbone of the modern world. Train to utilize and adapt to new innovations that will arise in the future to be on top of emerging trends.

#### WELDING CERTIFICATE

The National Association of Manufacturers (NAM) estimates that 14 million welders will be needed by 2020. Build your skills with CSM to enter this field in as little as one year.

### YOUR FUTURE ON YOUR TIME

To facilitate your career growth around your schedule, most courses offered after 5 p.m. are now seven weeks.
